

Affordable Uniform Pledge

The Four Commitments

1. We will carry out a review of the cost of our school uniform, and publish the outcome on our school website.
2. We will make sure non-branded generic clothing accounts for at least three quarters of all the uniform items a child needs.
3. Where branding is important, we will prescribe iron or sew on badges and logos for at least three quarters of all the items, allowing parents to purchase generic clothing.
4. The total cost of all the required branded clothing for any child will not exceed £40.

We at The Avenue support the Council's drive to make Middlesbrough a town where every school has an affordable uniform, and no family will face financial hardship through purchasing the correct uniform. We are pleased to sign the pledge and will honour the four commitments.

Signed *Emma Watson – Executive Head Teacher*

Jayne Booth – Head of School

Signed *Andrew Tickle - LGB Chair*
