

The Avenue Primary School

Key Stage 2: French

We have chosen to teach French as our modern foreign language across The Avenue. Each year group has a set of objectives to cover using the Rigolo programme, which is taught by a specialist French language teacher. This allows for progression from year group to year group across KS2.

Aims

The national curriculum outlines that by the end of KS2, pupils should:

- **understand** and **respond** to **spoken** and **written** language from a variety of authentic sources
- **speak** with increasing confidence, fluency and spontaneity, finding ways of communicating what they want to say, including through **discussion** and asking questions, and continually improving the accuracy of their **pronunciation** and intonation
- can **write** at varying length, for different purposes and audiences, using the variety of **grammatical structures** that they have learnt
- discover and develop an appreciation of a range of writing in the language studied.

Teaching and Learning

From September 2020 The Avenue Primary School employed a French specialist teacher to teach across Year 5 and 6. We recognise the importance of having a specialist language teacher to ensure high quality teaching and learning and instil a love of language learning for the future. We also recognise that high quality teaching and learning from a specialist teacher in Upper Key Stage 2 will allow for easier transition into their Secondary School languages education.
