

Year 2 Project homework – Muck, Mess and Mixture - Summer Term 1

Our topic this term is called ‘Muck, Mess and Mixture’ which means we will be looking at different textures and materials as well as exploring the work of different artists.

We are also reading George’s Marvellous Medicine and creating our own potions!

| | | | |
|--|--|--|---|
| Cook something with a grown up and create a picture record of what you have done. Perhaps you could try one of <i>Roald Dahl’s Revolting Recipes</i> ? | Take your grown up shopping and encourage them to buy food they’ve never eaten before. | Use a measuring jug to measure different amounts of water. Create your own capacity problems and bring them into school for other children to solve. | Create your own piece of artwork inspired by Carl Warner using food you have at home. Take photos of your creations. |
| Compare how long it takes for a sugar lump to dissolve in warm and cold water. How can you record your findings? | Create an original piece of artwork inspired by an artist you admire. Send us a photo to show the class to admire! | Write a poem with the title ‘Muck, Mess and Mixtures’. Include some exciting adjectives and read it aloud to the class. | Set up a melting experiment. Take 2 or 3 glasses and fill them with the same numbers of ice cubes. Put them in different patterns and shapes. |

Please complete THREE over the half-term and send them in as soon as they are complete.

While restrictions are in place, the best way to submit your child’s homework is to send a photo on ClassDojo. You could attach a photograph of a model, PowerPoint, Word document etc.
