

My Home Book of Feelings and Thoughts.

.....

This booklet has been made
for you to help you to
talk about and share
how you are feeling.

Change can make us
feel worried
and being at home
instead
of school
is a **big** change!

Why is every
talking about
this
coronavirus
thing?

HELLO !

**I am a VIRUS,
cousins with the Flu and
the Common Cold**

My name is Coronavirus

I love to travel...

Have you heard about me?

YES

☐

NO

☐

**And how do you feel when
you hear my name?**

Relaxed

Confused

Worried

Curious

Nervous

Sad

**and to jump
from hand to
hand to say Hi**

**HIGH
FIVE**

**I can understand you
feel...**

...I would feel the same way

**Sometimes adults get
worried when they read
the news or see me on TV**

**THAT'S
ME!**

**But I am going to explain
myself...**

So you can understand...

When I come to visit, I bring...

Difficulty breathing

Fever

Cough

**But I don't stay with
people for long, and almost
everyone gets better**

**Just like when you get a
scrape on your
knee and it heals**

BYE BYE....

Dont you worry!

**The adults who take care of you:
will keep you safe**

And you can help...

1

**By washing your hands
with soap and water
while singing a song**

*You can sing your favorite song,
the happy birthday song, or the
alphabet song*

2

**By using hand sanitizer
and letting it dry on
your hands**

Without moving them count to 10

1, 2, 3, 4, 5, 6, 7, 8, 9, 10

*Once your hands are dry you can get
back to playing!!*

**If you do all that
I will not come to visit**

**while the doctors work to find a vaccine
that will allow me to say hi
without getting you sick.**

My questions about the
Coronavirus
(share them with an adult who
can help you find out the
answers.)

This is how I feel...

To feel better I choose...

BREATHING BOARD

BREATHE IN

BREATHE OUT

Slowly follow the arrows with your finger. Start in the center and take a deep breath in. When you cross over to the other side, slowly let your breath out. Keep going until you feel more calm.

5-Finger Breathing

Slowly trace my hand with my finger, breathing in, as I trace my fingers going up...breathing out, as I trace my fingers going down.

Squeeze Then Relax My Muscles

Like "Rocks & Socks"

Zooming all my strength into making fists, it's like my hands transform into solid rocks. Then I release my fists, letting my hands and arms dangle like floppy socks.

Wave Breathing

Place my hands over my ears and breathe slowly and deeply, listening to the ocean wave sound that my breath makes.

USE POSITIVE SELF-TALK

What do you need to tell yourself right now?

I am **LOVable**.

I am **STRONG** enough to handle hard things.

I AM **SAFE**.

I AM **BRAVE**.

Mistakes help me to **LEARN** and **GROW**.

I AM IN CHARGE OF MY **THOUGHTS** and **ACTIONS**.

Decorate this **worry monster** and
cut it out.

When you have feelings, worries,
good news or bad news to share.

Whisper them to your worry monster!

My Circle of Support

You might feel lonely being off school.

Think about who is in your circle – friends, family and other people that care about you.

Today is a NEW DAY

If you wake up
feeling grumpy then
do these 6 things...

Yawn then take five long deep breaths

This will wake you up and energise you!

Have a good stretch

This will get your body ready for the day ahead.

Put a big smile on your face

This will make you feel happier.

Set a goal for the day

This will give your day purpose. What can you achieve today?

Be thankful for something

This will make you feel happier. You have a lot to be thankful for!

Forgive yourself for yesterday's
mistakes

ENJOY YOUR DAY!

Write down all of the things
you have been thinking about.
Circle the ones that make you feel happy.

Dump your worries!

Fill the bin with the thoughts you'd like to get rid of.
When they are all out – rip it up, scrumple it,
stamp on it and throw them away!
