

Project Homework

Why do you love me so much?

Autumn Term 1

Our topic this half term is called 'Why do you love me so much?' The children will be learning all about their own families and their friends. We will be talking about the emotion 'love' and how we feel it and express it.

Please complete the homework choices below during Autumn 1 and send them as in soon as you can! While restrictions are in place, the best way to submit your child's homework is **to send a photo to our year group email address**. We will put the photographs on display and show them during our Show and Tell time. You could attach a photograph of a model, PowerPoint, Word document etc.

Make a 3D heart shape and decorate with love. Display the heart in your house and send us a photograph.	Our topic is called 'Why do you love me so much?' Can you design your house using materials from home e.g. cornflake box, lego, playdough etc.	Learn how to say I love you in a different language.
