.....

PLEASE NOTE A PLACE IN NURSERY DOES NOT GUARANTEE A PLACE IN SCHOOL

Children start full-time school in the school year in which they turn five; the first year of school is called Reception. Applications for Reception places are made between November and January in the school year the child turns four. If you would like your child to attend a school nursery you must consider the fact that your child may NOT be offered a place in school. (Even if you have older children already attending the school.)

Details on how to apply for school places can be found on Middlesbrough Councils website. www.mgrid.org.uk or contact School Admissions on 01642 201889.
