'Wonders of the World' are a collection of remarkable structures from around the globe that attract millions of tourists each year. Your optional summer project is to create a 'Wonders of the World' tourist brochure, designed to persuade people to visit these amazing places. You will find examples of persuasive brochures beneath this table which will give you an idea of the features of this text type. Use the web links below to help your research.
Alternatively, there are a variety of activities below linked to the Wonders that you could complete. You could pick the ones you like, or even focus on a different Wonder each week!

Great Wall of China	Christ the Redeemer	Petra	Machu Picchu	Taj Mahal	Chichen Itza	Egyptian Pyramids
Use Google maps, an atlas or the internet to map out the Great Wall on the blank map of China (below this table). Label towns, rivers, towers and any other interesting features along the wall.	Follow the link below to a step-by-step guide on how to draw this Wonder. https://www.drawingtutorials101.com/how-to-draw-christ-the-redeemer	Another amazing feature of Jordan is The Dead Sea. What makes this sea unique? Why is it called the Dead Sea? Use a search engine and YouTube to find out. Produce a short fact-file or spider diagram to show your findings.	Look at an image of secret city of Machu Picchu. Without finding out any other information, create a story using it as your setting.	Taking inspiration from the Taj Mahal, design your own palace, fit for a king or queen.	Find out about the Mayans who are responsible for the incredible structures. Make a Mayan mask using papier mache. <i>There is a template and guide on the year 4 home learning page.</i>	See 'pyramid missing number maths' document on the year 4 home learning page of the school website.
Use your knowledge from the task above to write a postcard home from The Great Wall of China. Use the template provided below this table, if needed.	Research the Rio de Janeiro Carnival , which occurs each year before lent. Imagine you are looking down on it through the eyes of Christ the Redeemer and describe the scenes below.	See the pdf document on the year 4 home learning web page entitled ' <i>Petra reading and grammar activities</i> '.	Map out the Andes mountain range. Find out which countries it runs through, the names of any famous peaks and other nearby geographical features of interest, e.g. the Amazon rainforest.	Rustle up some Indian treats, e.g. bhajis, samosas.	Build a Lego model – this should work really well given the shape of Chichen Itza.	Mummify some apples!
