

Project homework –

<p>Use non-fiction books, astronomy magazines and the web to find and record your own amazing facts about space. Create a space scrapbook using your facts and downloaded images.</p>	<p>Imagine... an alien spaceship has crashed landed in your back garden. Write your own story about what happens next. Remember to use powerful vocabulary to bring your story (and alien) to life!</p> 	<p>Create a 3D model of the solar system which displays all the planets in order.</p>	<p>Write a film review of a space-themed film that you have watched with your family. Some great films to choose might be 'Wall-E', 'ET', 'Star Wars' or 'Apollo 13'. How many 'stars' would you award your film?</p>
<p>So far, 24 astronauts have visited the Moon. Find out their names, download pictures and record interesting facts about them.</p>	<p>Write a letter of application to the UK Space Agency to become an astronaut. What personal qualities or skills would you need to carry out this role?</p>	<p>Design and create your own astronaut space helmet or alien headwear using junk materials.</p>	<p>Keep a Moon diary over the course of a Lunar month. Draw the shape of the Moon each night, finding out and recording the correct term for each Lunar phase.</p> 
<p>Using non-fiction books and online research, find out the names of some of the best known constellations. On a clear night, try to identify them. Draw diagrams of those you have spotted. Do you think the names they have been given suit them?</p> 	<p>Visit your local library and search for space-themed books. This could be non-fiction, novels or poetry. Write a review of your favourite to display in school.</p>	<p>Help a sibling with their homework.</p>	

Please complete **THREE** and bring them in *as soon as possible*. A box has been left empty in case you think of your own idea. Tasks can be completed in a variety of ways - be as creative as you want!
