

## Nursery Spring 1 Project homework – Which was the biggest dinosaur?

Our topic this half term is called 'Which was the biggest dinosaur?' We will be learning all about dinosaurs, their key features, their habitat, diet and hunting techniques.

Please complete some of the homework choices below during Spring 1 and send them in as soon as they are complete. While restrictions are in place, the best way to submit your child's homework is to send a photo through ClassDojo.

Tasks can be completed in a variety of ways - be as creative as you like!

<p>Can you think of any other animals which hatch from an egg? Draw or paint other animals that hatch from an egg.</p>	<p>With an adult use an iPad, tablet or computer to research some dinosaurs. Can you find out which was the biggest dinosaur? Challenge: Which was the smallest dinosaur?</p>	<p>Can you create a picture or model of your very own dinosaur? It might have the teeth of a Tyrannosaurus Rex, the horns of a triceratops and the wings of a pterodactyl. Be as creative as you can!</p>
<p>Make a dinosaur egg: Ask an adult to boil an egg. Once it has cooled, decorate your dinosaur egg using bright colours. You could design it with spots, stripes or scales.</p>		<p>Can you stomp like a dinosaur? Can you stomp ten times, counting as you stomp? Repeat your stomping, counting up to different totals each time.</p>
<p>Find a story about dinosaurs to share with an adult. Who is your favourite character? Can you retell a part of the story to an adult or a sibling?</p>	<p>Practise counting to 10 or 15. Use items found around your home to help. Remember to touch or point to each item as you count.</p>	<p>The weather is becoming much colder. Practise putting on your own coat. You may even try to zip it up yourself!</p>
