

## Nursery Spring 1 Project homework - How many colours in a rainbow?

Our topic for the half term is 'How many colours in a rainbow?' During the half term, we will be exploring the colours in a rainbow, looking at the changes we can make when we mix colours together and taking part in some colourful experiments!

Please complete some of the homework choices below during the Spring 1 term and bring them into school to share with the rest of the class. Tasks can be completed in a variety of ways - be as creative as you like!

Here are some ideas:

<p>Our author of the half term is David McKee who is well known for writing Elmer the elephant stories. Can you find and share a story about Elmer?</p>	<p>Have fun learning the song 'I can sing a Rainbow' Click the link below to listen to it and help you learn the words!</p> <p><a href="https://www.youtube.com/watch?v=4g0NbaukkQc">https://www.youtube.com/watch?v=4g0NbaukkQc</a></p>	<p>Create your very own rainbow using different medias, such as crayons, paints, colouring pens, or chalk!</p>
<p>If possible, ask a grown up to buy a small packet of Skittles or Smarties. Can you sort them into colours? How many red ones are there? How many green ones are there? Can you count how many of each colour there are?</p>	<p><b>How many colours in a rainbow?</b></p> 	<p>Click the link below to see an amazing colour experiment using Skittles. Can you try it at home? We would love to see some photographs!</p> <p><a href="https://www.youtube.com/watch?v=4FHbbc8v1Cs">https://www.youtube.com/watch?v=4FHbbc8v1Cs</a></p>
<p>Elmer the elephant has lots of different colours. Draw or paint a picture of Elmer using all your favourite colours.</p>	<p>Can you find different items around your house and sort them into colours? You could even make a rainbow with them like the one below! We would love to see a photo of the finished product!</p> 	<p>With help from an adult, can you use a computer and research the colours in a real rainbow? You may find a rhyme or acronym to remember all of the colours!</p>
