

# Year 4 Project Homework **Blue Abyss** – Summer Term 1

<p>Why is the ocean blue? Go on... find out!</p>	<p>Write a story about a diver's exploration of a coral reef.</p> 	<p>How many amazing shark facts can you find? Build them into a PowerPoint presentation to show the rest of the class. Remember to include images and perhaps some video clips too.</p>	<p>Make a tourist leaflet for people visiting Australia's Great Barrier Reef. <i>(We will be learning a bit about this in class)</i></p>
<p>Design an 'Under the Sea' board game. What creatures might your counters represent?</p>	<p>Use the web with an adult to find out about famous undersea explorers, such as Robert Ballard, Sylvia Earle, William Beebe and James Cameron.</p>	<p>Create an ocean shoebox scene for display.</p> 	<p>Visit a local beach: what sea creatures and interesting things can you find? Take photos!</p>
<p>Watch a film that is set under the sea, e.g. A Shark's Tale, Finding Nemo. Complete the film review sheet given out with this grid.</p> 	<p>Create a poster to raise awareness on how pollution is damaging the world's oceans. Use bold text, images and bright colours as well as facts and figures.</p>	<p>Research an interesting sea creature. What information can you find? Create a fact file with everything you have learnt.</p>	<p>Research the impact of plastic waste getting into the ocean. Why is it a bad thing? What can humans do to stop adding even more plastic to the ocean?</p>

Please complete **two tasks** and bring them in as soon as you can so we can marvel at your creations and pop them on display. Feel free to take photographs too and send them in on Class Dojo. If you think of your own ideas that aren't listed above, that's great! You can also help a sibling with a project homework task. Tasks can be completed in a variety of ways - be as creative as you want!
