Phonics

Our school follows the Sounds-Write programme for the teaching of phonics.

Please refer to 'Phonics - Know It' and the programme teaching materials.

DECODING & WORD RECOGNITION

Prior Learning

Children should be taught to read aloud books closely matched to their improving phonic knowledge, sounding out unfamiliar words accurately, automatically and without undue hesitation through:

- Continuing to apply phonic knowledge and skills as the root to decoding words until automatic decoding of words is embedded and reading is fluent.
- Reading accurately by blending the sounds in words that contain the graphemes taught so far, especially recognising alternative sounds for graphemes.
- Reading accurately words of two or more syllables that contain taught graphemes.
- Reading words containing common suffixes.
- Reading further common exception words noting unusual correspondences between spelling and sound e.g. should, people, busy (see Know It).
- Reading known words quickly and accurately.
- Re-reading books to build up their fluency and confidence in word reading.
- Read words with taught endings 's','es','ing','ed','er' and 'est'.
- Read more polysyllabic words e.g. people, because.
- Use their knowledge of root words to read other words containing suffixes.

GRAMMAR, STRUCTURE & LAYOUT

GRAMMATICAL FEATURES

- Increase vocabulary and grammatical awareness to identify the differences between spoken and written language.
- Listen frequently to stories, poems and non-fiction to understand how written language can be structured.

COMPREHENSION

Children should have opportunities to become fluent at word reading, in order to greatly assist comprehension.

They should also have opportunities to:

- Discuss the sequence of events in books and how items of information are related.
- Draw upon what they already know or on background information or vocabulary provided by the teacher.
- Check that the text makes sense to them as they read and correct inaccurate reading. Re-word to match.
- Engage with drama or role-play activities in order to deepen understanding.
- Answer and ask questions.
- Draw upon what they already know, background information and new vocabulary provided by the teacher, to develop understanding.

RETRIEVAL

- Develop skimming skills to find important information quickly to answer questions such as, Where? When? Who? What?
- Sequence parts of a story or order of events in information texts using numbers, lines etc.
- Retrieve information presented in a range of different ways e.g. longer sections of text, bulleted list, captions, diagrams and cycles.
- Find and copy a word from the text to explain or describe something.

SUMMARISING

- Discuss main events across a whole story or part of it.
- Discuss key parts of factual processes linked to learning in other subjects.

INFERENCE

- Make inferences on the basis of what is being said and done.
- Predict what might happen on the basis of what has been read so far.
- Learn about cause and effect e.g. what has prompted a character to behave in a certain way.

VOCABULARY

Children should be given opportunities to broaden their vocabulary through:

- Recognising simple recurring literary language in stories and poetry.
- Discussing and clarifying the meaning of words, linking new meanings to known vocabulary.
- Listening to explanations of new word meanings.
- Using morphology such as prefixes to work out unknown words.
- Discussing the effects of different words on the reader.

EXPLORE, TEACH, PRACTISE

Children should be taught to expand their knowledge of words through:

- Beginning to use dictionaries and thesauruses to explore and compare definitions and identify synonyms.
- Suggesting the meaning of unknown words using picture/ context clues.
- Exploring links with known words and words with similar meanings.
- Seeing new words in isolation and then in context to cement understanding.
- Physicalising new words by showing it, being it or doing it, in order to develop understanding.
- Generating word lists linked to stories, topics, synonyms etc.
- Learning the meaning of simple root words in order to derive new words, e.g. excite-ment.
- Exploring ways to remember new word meanings.

PRIOR LEARNING YEAR 1	PRIOR LEARNING YEAR 1		
 Talk about the title and how it relates to events/information in the text. Explain key facts about what is read to them from a variety of texts. Retrieve answers to simple literal who, what, when, where, which and how questions. Discuss characters' appearance, behaviour and the events that happen to them, using detail from the text. Develop their knowledge of retrieval through images. Use phonic and vocabulary knowledge to recognise words and phrases which locate information found explicitly in a text. Sequence the events of a story that they are familiar with. 	 Discuss the significance of the title and events e.g. why the title 'All Change' might be chosen for a book about Chameleons. Make simple inferences when a book is read to them e.g. how a character might feel after a particular event or why a character might be feeling jealous/disappointed etc. Infer basic points with direct reference to the pictures and words in a text. Predict what might happen next in a sequenced story. Make simple predictions based on the story and on their own experiences. Begin to explain these ideas verbally or through pictures. 		
 Scan for key words in the text to locate answers. Analyse the wording of a question in order to choose what to look for. Begin to find answers where the question word does not match the text word. Navigate different paragraphs in information texts to locate the most suitable paragraph. Independently read and answer simple questions about what they have just read. Recognise simple recurring literary language. Draw on vocabulary-knowledge to understand texts and solve problems. Discuss the sequence of events in a book, including how they are linked and how items of information are related. Locate information using contents, index, sub-heading, page numbers etc Identify what is known for certain from both narrative and non-fiction texts. 	 Use pictures and words to make support inferences. Modify answers to inference questions as a story progresses. Make some inferences, answering 'how and why' questions which begin to reach beyond the text. Infer the feelings of a character and the most likely reason for these. Base answers on their own personal experiences e.g. Why might the Owl be frightened of the dark? Make predictions based on what has been read so far in terms of plot, character and language. Use their own knowledge and experiences, as well as what they have read, to provide reasons and explanation e.g. explain a moral or message; make a sequence of events; learn about cause and effect-what has prompted a character's behaviour? 		

APPLY IT

During Year 2, teaching should continue to focus on establishing pupils' accurate and speedy word-reading skills, in order for them to apply those skills to increase their vocabulary, comprehension and knowledge across the wider curriculum.
