Mathematics	Numbers to 5 Sorting Comparing groups within 5 Introduction to 2D shape Change within 5 Time Measure -Length		Number bonds to 5 Numbers to 10 Comparing numbers within 10 Addition to 10 Number bonds to 10 Shape		3D Shape Introduce Practical Subtraction Exploring patterns Adding by counting on Taking away by counting back Counting to 20 Numerical Patterns Measure - Weight Measure -Volume and capacity	
Understanding the World	RE- Which people are special and why?	RE- Which times are special and why?	RE- Which stories are special and why?	RE- Being special: Where do we belong?	RE- What is special about our world?	RE- Which places are special and why?
	Who help us in our family and communities? What does a nurse do? What happens during harvest? Who works in a fire station?	Where does food come from? What is a shop?	What do we use transport for? How does transport affect our environment? What is Chinese New Year? How do we celebrate chine new year?	Where is Africa? What animals might live in Africa? What is the weather like in Africa? How do people adapt to the weather?	What can we grow in the garden? How do we look after a plant? What do plants need to grow?	What might we find at the seaside? How has the seaside changed from the past? How do we stay safe at the seaside? What living creatures might we find at the seaside?
