2024

We are at the half way point of the year, how time flies! This month has flown by. Once again, the children continue to impress us on a daily basis.

World Book Day

We took part in the annual celebrations again this year. The decorating a t-shirt idea resulted in a vast range of designs coming into school, which was lovely to see. The children seemed to love the celebrations of the day and it was lovely to be able to welcome parents and carers into school to read with their children. This is something we will be continuing each half term moving forward. We raised a massive £1071.90 at the Book Fair, so we will be spending the reward points on books to engage more of our children in reading. Thank you for your support.

Reminders

Thank you so much for the response to the uniform letter shared recently. The children look so much smarter when they are in full uniform. Please can I remind you about not allowing children to ride their bikes and scooters on the school site. This includes those who do not come to our school too. Please ensure that dogs are not brought onto the school site.

School Values

In September, we introduced our school values. Since then, we have been working hard to embed these. As we are approaching the last term of the year, I would like to ask your support in terms of helping to foster some of these with your children. One of our values is 'Independence'. Can I ask that you remind your children that they should have ownership of and responsibility for their belongings.

Red Nose Day

Once again, the children came out in force to raise money for Comic Relief. School council did a great job organising the day and the jokes shared in assembly were fantastic, so thank you for supporting this. We were delighted to have raised £669 for this worthy cause, thank you!

School Day

Thank you so much for your feedback regarding the start and finish times of the school day. As always, I feel it is so important to gather your feedback. Any changes will be in place from the start of the new academic year in September. I will communicate the new times in the first couple of weeks after Easter.

Festival on the Field

We have finalised the ticket arrangements for the festival, with adults costing £3 and children £1. We are still on the lookout for a stage, or something to use as a stage and a PA system for the event, so if anyone can help, please let school know.

Please make a note of things that are coming up so you don't miss out!
