2024

We have reached the end of the 5th term of the year! There is only one-half term left. We have so much to look forward to with hopefully some better weather to ensure all the planned events can go ahead.

Year 6

This month has been an incredible month for the children of Year 6, not only have they all worked so hard to complete their KS2 SATs, but they pulled off a spectacular show 'School-o-vision Song Contest' too. The children's resilience and mature approach to the tests was testament to the dedication of the team in Year 6 and to the support the children had at home. The show was an amazing experience for so many to shine in a very different way. A huge shout out to the Team in Year 6 for everything!

Reminders

Please can I remind you about not allowing children to ride their bikes and scooters on the school site. This includes those who do not come to our school too. As we reach the end of the year, if you come across any school books at home, please send them back to school. Please ensure that children are in their full uniform, this includes the correct PE kit on PE days.

Reminders!

Parent/Carer Survey

As we are rapidly approaching the end of the academic year, we are asking for your feedback about our school. Feedback is always useful for us in school to continue to improve what we offer and ensure that you, as stakeholders, have an opportunity to shape the direction of travel. The survey can be accessed here -

<https://forms.office.com/e/FdV9F9gA4u>

Gardens for Schools

We are still collecting these vouchers – thank you to those who have donated already, please don't forget to ask for them if you shop in Stripes. You should get a voucher for every £10 spent.

OPAL Education

Our OPAL journey is shaping up nicely. We have shared with you some of the things we are looking to gather to allow us to deliver some zones early next half term. If you have any spare clothes (caps, hats, handbags, jackets, fancy dress outfits), please send them in. If you have any redundant kitchen utensils, pots, pans, colanders etc we would love these for our music area and to prepare for our mud kitchen. We are so excited about this development for our school and we will share much more detail with you in the next few weeks. For those of you who don't know OPAL, take a look at their website -

<https://outdoorplayandlearning.org.uk/>.

Festival on the Field

We have finalised the ticket arrangements for the festival, with adults costing £3 and children £1. If you know of anyone who would be willing to donate raffle prizes please let them know we are on the lookout for things. Any bottle donations for a bottle tombola are most welcomed. Party Boppers will be performing on the day, so we hope you all buy your tickets!

Please make a note of things that are coming up so you don't miss out!

Mon 3 rd June – back to school 3 rd – 14 th June – Y4 MTC	Wed 5 th June - Reception Library visit	Thur 6 th June – Forest Schools–Y1 Y2 mosque trip Y6 & Reception Photos	Tues 11 th – Fri 14 th June – Y6 London Trip	Thur 13 th June – Forest Schools – Y3	Sat 22 nd June – Festival on the Field 12-4pm
