

Project homework – The Enchanted Woodland – Autumn Term 1

Our topic this term is called ‘The Enchanted Woodland’ which means we will be looking at living things that can be found in woodlands. We will also be looking at traditional tales that are set in the woods.

Here are some ideas of things you can do to partake in our exciting topic at home too:

Make patterns and sculptures using natural materials in your garden. Take photographs of your artwork.	Measure the length or height of small trees or bushes, sticks, twigs and leaves found in your garden, local park and woodland.	Search the web for images and facts about amazing woodlands or forests around the world. Make a scrapbook showing your best ones.	Make miniature homes and gardens for fairies and pixies from natural materials such as bark, pebbles, twigs, leaves and pine cones.
Take your family for a woodland walk near your home. Take photographs of interesting flowers or trees to show your friends at school.	Find out about famous artists who use woodland for inspirations.	Have fun building a den with your family or friends! Draw a picture or take a photograph of it to show at school. Write about how you made your den and materials you used.	Write a ‘Who am I?’ riddle for family and friends to solve. Write clues about a woodland animal, plant or tree.

Please complete **THREE** and send them as in soon as you can! While restrictions are in place, the best way to submit your child's homework is **to send a photo to our year group email address**. We will put the photographs on display and show them on a Tuesday during our Show and Tell time. You could attach a photograph of a model, PowerPoint, Word document etc. Our year group email address is: year2@theavenueprimaryschool.co.uk

Tasks can be completed in a variety of ways - be as creative as you want!
