

## Year 3 Project Homework - Predator (Autumn 2)

<p>Come up with a food chain and make a hanging mobile out of it.</p> 	<p>Investigate where in the world different predators can be found. Create map or presentation to show what lives where!</p>	<p><b>HELP A SIBLING WITH THEIR HOMEWORK &amp; PROVIDE EVIDENCE.</b></p>	<p>Write a short poem from the perspective of a predator, e.g. an eagle looking down for prey, a lion stalking prey through the grasslands. (You could keep it simple with an acrostic poem or try a Haiku poem).</p>
<p>Create a fact file about a predator of your choice.</p>	<p>Make a collage of a predator of your choice. You could use different materials, pictures printed from the internet or cut out from magazines.</p>		<p>Your <b>own</b> idea!</p> <p>Be as creative as you want.</p>
<p>Design your own predator. Does your predator have teeth like a lion? Is it fast like a cheetah? Does it have patterns like a leopard? What are you going to call it? Draw or make a model of it!</p>	<p>Make a 3D model of a habitat for a predator of your choice e.g. jungle, aquatic. (You could use a shoebox as the base/frame of your habitat).</p>	<p>Write a short story from the perspective of a predator or prey during an attack.</p>	<p>Make a fossil using a mouldable material such as clay or salt dough. Ensure that it is detailed and shows the skeleton of your chosen animal</p>

Please complete **three tasks** and bring them in as soon as you can so we can marvel at your creations and pop them on display. Feel free to take photographs and send them in on Class Dojo. If you think of your own ideas that aren't listed above, that's great! Tasks can be completed in a variety of ways - be as creative as you want!
