

## Year 4 Autumn 2 Project Homework: Burps, Bottoms and Bile

<p>Create a quiz! Create a 'What am I?' quiz by selecting parts of the digestive system and then describing them in turn with clues.</p>	<p>Help a sibling with their homework and take photos or write about what you did.</p> <p><i>Blank for your own idea:</i></p>	<p>Use books or internet to research the digestive system. Draw and label what you find. Can you copy the organs carefully?</p>	<p>Could you make a model of one of the organs of the digestive system?</p>
<p>Create a word search or crossword puzzle containing some of the key topic vocabulary you have learned. Ask a friend or family member to solve it!</p>	<p>Find out how to look after your digestive system. Make a song or poster encouraging people to look after their digestive system and explain why it's important.</p>		<p>Find a recipe for a dish that is good for your digestion. Now cook or bake it! Record your experience, maybe including some photos or drawings.</p>
<p>Use books or the internet to research teeth. Create a poster to explain why brushing and looking after your teeth is so important! E.g. How long should they be brushed for? How often?</p>		<p>What qualifications do you need to become a dentist? (You could look online or ask one!)</p>	<p>Drop grubby copper-plated coins (1p or 2p) into a range of fizzy drinks and leave them overnight to see what happens. Which brand has the most powerful cleaning properties? How might this affect your teeth?</p>

Please complete **three tasks** over the half term. Bring your work in as soon as you can so we can marvel at your creations and pop them on display. Feel free to take photographs too and send them in on Class Dojo. If you think of your own ideas that aren't listed above, that's great! You can also help a sibling with a project homework task. Tasks can be completed in a variety of ways - be as creative as you want!
