

		Morning <i>Start your morning with a workout</i> Youtube: Joe Wicks, Just Dance, Oti Mabuse. Here is a fun Boxercise routine that has been popular in enrichment (no weights needed!): https://www.youtube.com/watch?v=pWLEkO0MIXs	Afternoon
wb 6 th April AND wb 13 th April (2 weeks)	English Go to www.pobble365.com Here you will find a brilliant picture stimulus for every day of the year. See if any of the images interest you and look underneath for some short writing ideas linked to it. This can be done any day if it's something you enjoy!	Maths Maths Activity Booklet  Find the Year 4 Maths Activity Revision Booklet on Twinkl. Even if you can't print it, most activities can be done on paper. Work your way through as much of this as you can over the next 3 days.	Science Set up a food diary for the week. Consider how you are going to try to eat healthily given the current shopping restrictions. Keep your diary safe – you will be given a task linked to this next week. There are some examples of food diaries on Twinkl to help get you started.
	English Spelling test on your latest Spelling Shed words. Write out any you get wrong five times. Have a go at the emoji quiz below. All words are linked to Literacy so think about the words you come across in reading and writing, such as different types of punctuation. WARNING! It's very hard so you may need an adult to help. If you can get half of them, you've done extremely well!	It is important to remember that some areas of the curriculum haven't been covered yet in year 4 and some children need more support in maths than others. Do the best you can!	Science / DT / ICT Ask an adult if there is any spare fruit available to make a healthy smoothie for you and your family. Make sure an adult is with you if you use any electrical appliances. You could even take photos of each step and make a flow chart of the smoothie making process on the computer.
	English Visit Pobble365 again and find a new image that you like. This time, look below at the 'Question Time' section. Record written answers to the questions or alternatively, answer in detail verbally to an adult.	<i>When you want a break, check out Purple Mash using the login that was sent on Marvellous Me last week. On your 'To Do' list we have assigned some tasks for you to try out.</i>	Fun! / English Set up an Easter Egg hunt around your house/garden for family members, with a series of clear and precise clues leading to the end prize. If you don't have an Easter Egg, you could leave a pound coin as the prize so the winner can buy one when they are next in a shop. Challenge: Can you make your clues rhyme? E.g. "You've found the third clue and done well so far, for the next one head outside to the car."
	RE: The Easter Story Watch the clip below to find out what Christians believe happened to Jesus when he died. https://www.youtube.com/watch?v=Wnbo2AmS3OI Alternatively, read about the events here...	Maths Times tables focus. Make sure your knowledge of division facts is just as strong as your times tables knowledge. Refer to the list of maths websites you have been given recently, plus the games and resources	Art Complete some art work linked to the Easter story. You could use paint, chalk, felt tips – whatever you have available.

<https://www.topmarks.co.uk/easter/easterstory.aspx>

Complete a comic strip/storyboard or some art work to retell the events. Add speech and thought bubbles to show what people might have said or thought.

on Purple Mash. The more confident children can have a go at the Multiplication Check...
