

Year 6 Spelling Shed Homework Schedule: Spring Term 2020-21

Spellings are live on Spelling Shed from 3pm on the day of issue. Spelling Shed is proven to be effective, due to its interactive and repetitive nature; therefore, if possible, please allow your child to practice their spellings using Spelling Shed. It is recommended that they practice for 15-20 minutes per day, at least 3 days per week.

There is also a Year 5/6 Spelling Booklet available on the website, for children who may prefer to do their spelling practice on paper, or who are unable to access Spelling Shed at home.
