17 October 2018

Dear Parents/Carers,

Zoo lab - Prey, Predators and Food Chains

After half term the children in Year 3 & 4 are being given the opportunity to experience a visit from Zoo Lab as part of our new topic 'Predator'.

The visit will take place on the morning of **Tuesday 13 November**.

The children will have the opportunity to take part in an animal-handling session where they will explore the classification and characteristics of each animal. The workshop will provide an engaging start to our new 'Predator' topic and Science topic 'Food Chains'.

We would like to ask for a voluntary contribution of £2.50 per child towards this visit.

No child will be excluded on his/her parents ability to make this contribution, though if we have insufficient contributions to cover the cost of this visit it will have to be cancelled. Please make cheques payable to James Cook Learning trust.

Please let your child's class teacher know if your child has any allergies to animals or if you have any questions regarding the school visit.

Yours sincerely

Miss Hunwick Mrs Sinclair Mr Thomas
Y3/4 Team
